

**SAVE THE DATE** | **March 12 & 13 2018**  
The Ibero-American University,  
Mexico City

## 2018 Conference on **PRO BONO IN THE AMERICAS**

This Conference will assemble leading lawyers from Latin America and the United States, representing the public, private and non-profit sectors, with the goal of engagement in the theoretical and practical analysis of the challenges and responses arising from the new political realities in the Americas. We will develop strategic initiatives and civil society partnerships to advocate collectively for vulnerable populations, fundamental rights, and the rule of law.
